GO NORTH SURREY GM (GO AUTO)

Surrey United Soccer Club is pleased to announce and thank our Mini Program corporate sponsor and community partner, **Go North Surrey GM (Go Auto)**.

Founded in 1996, **Go Auto** grew into one of Canada's largest and thriving automotive networks with 50+ dealerships, multiple repair and service centers, several reconditioning facilities, in-house finance and insurance departments, a loyalty and rewards program, and more.

Go Auto is extremely active in giving back to the communities they are a part of, through humanitarian efforts and responsible business practices. With more than 5,000 employees in the fold, they are committed to doing their parts as corporate citizens.

Go North Surrey GM is Go Auto's second Surrey dealership and its third in the Lower Mainland, with Go Dodge Surrey and Columbia Chrysler being the others. In August 2021, Go Auto acquired the Cowell Automotive Group, welcoming four more luxury dealerships to the Go Auto family: Cowell Volkswagen, Audi Richmond, Jaguar Richmond and Land Rover of Richmond. In December 2021, Go Auto acquired one additional store: Langley Toyota.

Surrey United Soccer Club wants to thank and acknowledge their generous contributions in helping build and expand our growing community, specifically our Mini U6-U10 program and for being a community partner of the Club.
