The 2022/23 Fall/Winter season registration is now open online until the deadline of **May 31, 2022**. We are again offering installment payments year and are proud to share that there, for nearly the 10<sup>th</sup> year in a row, no registration fee increases to our players' registration base rates.

Our in-person registration was extremely well attended, we were pleased to be able to meet each of you that came into the clubhouse to have your questions answered and have the online registration navigation assistance you requested. Thank you to our club Registrar team for organizing this great opportunity. We hope to continue offering these in the future to our membership.

## REFEREE CORNER

This weekend Surrey United SC had an all-female officiated game out at Cloverdale Athletic Park. Shikyana, Alex and Sydney did a fantastic job as a team out there on the field – well done team!

Also, we had 3 of our officials appointed to the Coastal Cup finals that took place in Maple Ridge on the April 23/24 weekend. Congratulations to Akbar, Sam and Kody on their appointments!

Referee course dates are still TBD but will look to be after youth provincial championships in July so watch our upcoming newsletters, social media, and our website for more details. We hope to see as many of our SUSC players (and parents!) participating in these courses and becoming SUSC referees in the fall!
